RE: Resubmission of Final 2000 Form 492A
Qwest Corporation

Pursuant to the Commission's rulings in Dockets 86-182, 86-197, 86-497 and 87-313, Qwest Corporation (Qwest) hereby resubmits its Final 2000 Form 492A, the Price Cap Regulation Rate of Return Monitoring Report

Qwest is refiling this data as a result of Qwest's restated regulated financial results for the year ended December 31, 2000. We have determined that, in certain cases, we misinterpreted or misapplied GAAP in our 2000 financial statements and, accordingly, we have restated our financial statements for each of the two years. In making these restatements, we have performed an internal analysis of our accounting policies, practices, procedures and disclosures for the affected periods. This report reflects the corrections made in the ARMIS 43-01 report for 2000, Submission 4.

Qwest is serving two copies of this report upon the Industry Analysis and Technology Division.

Acknowledgment and date of receipt of this submission are requested. A duplicate of this letter is provided for this purpose. Should you have any questions regarding this data, please contact either myself or Glenda Weibel at (206) 346-9428.

Sincerely,

A handwritten signature in black ink that reads "Bill Johnston". The signature is written in a cursive, flowing style.
